Selling agents, as an option during the warranty period, to repair or replace it with a new or reconditioned product, as determined by Jensen. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on again, you are encouraged to try to correct the interference by one or more of the following methods:

• Increase the separation between the equipment and receiver.
• Reorient or relocate the receiving antenna.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

FCC Compliance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

• This device may not cause harmful interference,
• This device must accept any interference received, including interference that may cause undesired operation.

If this device does cause interference to radio or television reception, which can be determined by turning the equipment off and on again, you are encouraged to try to correct the interference by one or more of the following methods:

• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

One-Year Limited Warranty

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

Jensen Audio Electronics, Inc., and its authorized service representatives are authorized to assume for the company any other liability in connection with the sale of this product. In no event shall the company be liable for indirect, incidental or consequential damages.

What is covered?

This warranty covers defects in materials and workmanship in the unit for one year beginning on the date of purchase. Subsequent replacement products are warranted for the balance of the original warranty period. Verification of the defect or malfunction and proof of the date of purchase shall be required before warranty service is rendered.

What is not covered?

• Damage caused by accidents, misuse, abuse, or neglect.
• Damage resulting from unauthorized repair or modification.
• Damage from improper installation or operation.
• Normal wear.

Warranty Service Information

Please describe your problem in writing and include your name, a return UPS shipping address (P.O. Box not acceptable), and a copy of your original purchase receipt. Ship it by prepaid transportation to an authorized service center.

What is required?

A warranty card is included with all products purchased through an authorized Jensen dealer and used in this product.

What if it is lost?

You can obtain a replacement warranty card by calling 1-888-921-4088 (Monday-Friday, 9AM to 5PM EST). You must supply the serial number and model number of the product for warranty service.

Exclusions of Certain Damages:

The warranty is void in the event of tampering with the equipment, improper installation, or other acts of God. The warranty is void if the equipment is used in an environment requiring a filter, transformer, or similar device. No person or organization is authorized to alter or modify this warranty, or imply any additional warranty obligations.
