Note: Video cable has a built-in power wire (2 red wires on either end) for ease of installation. Only 1 cable has to be routed during installation.

After the blue loop is cut, be sure to insulate the 2 wires so they do not touch each other or short to ground.

Camera Specifications

- Image Sensor: 1/4" CMOS, PC7070
- Power: 12VDC, Negative Ground
- Power Consumption: <1 Watt
- Effective Pixels: 640x480
- Video Format NTSC
- Lux: <0.5
- White Balance: Auto
- Viewing Angle: 170 Degrees
- IP Rating: IP67
- Operating Temperature: -15F~160F
- Camera Body: Aluminum Alloy

Limited One Year Warranty

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

Dual Electronics Corp. warrants this product to the original purchaser to be free from defects in material and workmanship for a period of 1 (one) year from the date of the original purchase.

Dual Electronics Corp. agrees, at our option, during the warranty period, to repair any defect in material or workmanship or to furnish an equal new, renewed or comparable product (whichever is deemed necessary) in exchange without charges, subject to verification of the defect or malfunction and proof of the date of purchase.

Subsequent replacement products are warranted for the balance of the original warranty period.

Who is covered? This warranty is extended to the original retail purchaser for products purchased from an authorized Jensen / Dual or Axxera dealer and used in the U.S.A.

What is covered? This warranty covers all defects in material and workmanship in this product. The following are not covered: software, installation/removal costs, damage resulting from accident, misuse, abuse, neglect, product modification, improper installation, incorrect

line voltage, unauthorized repair or failure to follow instructions supplied with the product, or damage occurring during return shipment of the product. Specific license conditions and copyright notices for the software can be found via www.dualav.com.

What to do?

1. Before you call for service, check the troubleshooting guide in your owner's manual. A slight adjustment of any custom controls may save you a service call.

2. If you require service during the warranty period, you must carefully pack the product (preferably in the original package) and ship it by prepaid transportation with a copy of

the original receipt from the retailer to an authorized service center.

3. Please describe your problem in writing and include your name, a return UPS shipping address (P.O. Box not acceptable), and a daytime phone number with your shipment.

4. For more information and for the location of the nearest authorized service center please contact us by one of the following methods:

- Call us toll-free at 1-866-382-5476
- E-mail us at cs@dualav.com

Exclusion of Certain Damages: This warranty is exclusive and in lieu of any and all other warranties, expressed or implied, including without limitation the implied warranties of merchantability and fitness for a particular purpose and any obligation, liability, right, claim or remedy in contract or tort, whether or not arising

from the company's negligence, actual or imputed. No person or representative is authorized to assume, for the company, any other liability in connection with the sale of this product. In no event shall the company be liable for indirect, incidental or consequential damages.
